

**AFRICAN LIVESTOCK CONFERENCE & EXHIBITION (ALICE2014)**

**JUNE 18<sup>TH</sup> – 20<sup>TH</sup> 2014**

**SPEKE RESORT AND CONFERENCE CENTER, MUNYONYO**

**KAMPALA, UGANDA**

**CALL FOR PRESENTATIONS/PAPERS**

**Deadline 1<sup>ST</sup> May 2014**

Theme: *Developing Livestock Value Chains, Improving Livelihood in Africa*

The Host Country Committee of the **African Livestock Conference and Exhibition (ALiCE 2014)** is inviting prospective speakers to submit abstracts for the 2014 conference program. We are searching for professionals, scholars, researchers and industry practitioners willing to share their industry experience, research findings, insight and knowledge. Conference sessions provide attendees, as well as you and your colleagues, with the tools and information necessary for professional growth and industry advancement.

*ALiCE* is the most comprehensive and a leading convergence of stakeholders in the livestock sector in Africa. It is a platform specifically aimed at stimulating trade in livestock and livestock products and services in Africa and technology and knowledge transfer and sharing. The event brings together in one hand primary producers (livestock farmers/keepers and traders) and suppliers of technology and solutions and services providers and allied companies in the other from farm to table in the major livestock value chains of dairy, beef, poultry and other emerging value chains. Over 400 decision makers in the sector from over 30 countries are expected at the event.

**Benefits to speakers:**

- Gain personal and professional recognition in a highly respected livestock industry forum.
- Present your knowledge and ideas at a truly Africa livestock event
- Attend and participate in all activities of the ALiCE 2014 at no cost

**To help you formulate your presentation broad conference topics include:**

- 1) *World and Africa Livestock Status.*
- 2) *Livestock Industry Policies and Economics.*
- 3) *Animal Farming, Technologies, Innovations And Practices for a Competitive African Livestock Sector*
- 4) *Animal Genetics, Breeding and Management for a Sustainable and Competitive Animal Industry*
- 5) *Animal Health and Welfare*
- 6) *Animal Feeding and Feed Management*
- 7) *Animal Products Processing, Marketing and Environmental Issues*

### **Your audience will include:**

- Policy Makers
- Livestock farmers, keepers and farmers business organizations leaders
- Animal scientists
- Food scientists and technologists
- Purchasing agents and distributors
- Corporate managers
- Consultants in the livestock sector

### **Submitting the abstract for your presentation**

**Speaker details:** Include a short CV (5- 10 lines in a conversational tone).

**Deadline for submission: 1<sup>st</sup> May 2014**

**Content:** one page abstract (or up to 150 word description) of the presentation

**Requirements:** Please note that there are several obligations and deadlines regarding presentations at this Conference. The host conference committee reserves the right to cancel presentations by those who prove unable to fulfill these obligations:

1. The Committee **does not** always accept proposals as submitted. It may be necessary to blend your proposal with other proposals, to change panelists or to ask you to present another topic as part of another panel. In the event that the committee wishes to make changes, you will be contacted, advised on the committee's wishes and given the opportunity to either participate or decline within the new format.
2. Selected presenters will be notified in writing by **May 15<sup>th</sup> 2014 at the latest** and a presenter package emailed including the **speaker registration form**. The presenter package will detail deadlines, all of which will be prior to May 31<sup>st</sup> 2014 except for the complete presentations that must be submitted to the secretariat in soft copies (electronically) not later than **June 1<sup>st</sup> 2014**.

**Please e-mail your abstract to:**

Peter Mwaniki
